Chill Drills

The drills are specially designed to keep service members calm and focused on deployment, and to help ease the stresses of returning home after combat. Service members who start using Chill Drills before deployment can find it easier to handle stress later on in the deployment cycle.

Chill Drills Playaway contains five specially designed tracks, each with its own focus:

- Tuning in
- Releasing stress
- Easing back pain
- Getting to sleep
- Music to chill by (just music)

Available as a free device and/or download:

To download to your computer or iPod:

Order a battery powered MP3 player, pre-loaded with the Chill Drills - Go to http://www.militaryonesource.com/chilldrills. Create a log-in, add it to your basket, and then fill in your shipping information.
